

Heritage Gala Saturday, February 18, 2017 Sponsorship Offering

Help us make this year's Heritage Gala our most successful ever by joining us as a sponsor. Your sponsorship will not only help us produce an inspiring event, but will also support the Washington County Museum's efforts to ignite the imagination and bring to life the diverse cultures that so richly define this remarkable region. Proceeds from the Gala support the museum's ongoing work producing compelling exhibits, connecting the next generation to our history through our school-based educational programming, and preserving our cultural heritage with our archiving activities.

This year's event will be held on Saturday, February 18, 2017 at the area's premier event location, NW EVENTS. The evening will feature a delicious meal, engaging activities and live music by The SlimJims.

The attached sponsorship guidelines outline all the benefits of sponsorship. For more information or to sign up as a sponsor, please contact Mark Harmon at 503.645.5353 or director@washingtoncountymuseum.org.

Thank you in advance for considering supporting the Heritage Gala and helping the Washington County Museum bring imaginations to life in our community!

Sincerely,

Mark S. Harmon
